Collin Mizner Resume Webpage

Short Pitch

Visual website demonstrating who I am, my work, and my educational experiences.
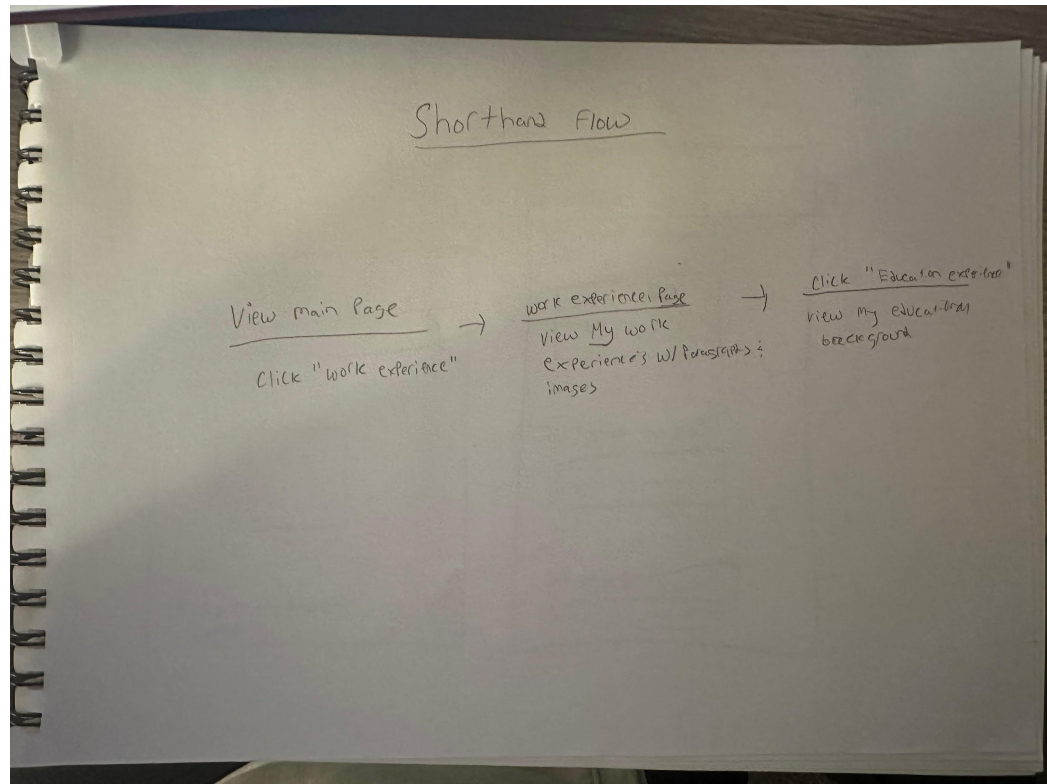

Long Pitch

While entering the workforce soon, I want to be able to demonstrate my skills, experiences, and character in a visually appealing website. I can show off my skills through the quality of design in my page using HTML and CSS. My resume will be brought to life so employees and peers can see exactly where I built the skills I have now.

## Personas

1. **Future employers**
2. **Peers and acquaintance**
3. **Friends and family**
